Mr. J. Jaim Shinto
Principal

Dear Readers,

- ❖ As we embark on another exciting month at ST. Joseph International School, I am filled with pride and enthusiasm for the activities and events we have lined up for July 2024. Our Aim is to foster a Holistic development in our students balancing Academic excellence with Extra Curricular engagement.
- ❖ This month, We celebrate significant events such as Doctors Day and Transport Day, which not only educate our young minds about these essential fields but also instill in them a sense of appreciation and curiosity. The Educational Development Day competition and Celebration are set to inspire creativity and intellectual growth among our students.
- ❖ I am particularly excited about the various activities planned for our kindergarten students.

- ❖ From cookie Day to the Fine Motor Skill Clothes Pin Activity, these events are designed to nurture their cognitive and motor skills in a fun and engaging manner.
- ❖ Our ongoing tradition of “Blessings from Parents and Grandparents” every Monday continues to strengthen the bond between our school community and families, reinforcing the importance of values and gratitude.
- ❖ I extend my heartfelt gratitude to our dedicated teachers, Supportive Parents and enthusiastic students for making each event a success.
- ❖ Let us Work together to create a nurturing and stimulating environment where every child can thrive.
- ❖ Wishing Everyone a joyful and productive month ahead.
